September 3, 2026

Meeting opened at 6:00pm

1. Welcome address –

Present: as per attendance register

Apologies: Pam Procter, Dee Camm, Sally Bond,

2. Confirmation of Minutes –

Report moved by: Craig Kelly 2nd: Sue-Ellen Murray

3. Correspondence

- Outwards –
- Inwards: –
- Letters/Emails -

- Golden Grant request from Marta Fish – 2T
- Golden Grant request from Michele Adamson – 5A

Flyers/Brochures/Fundraising: - School Gifts
Parent Talk

New Applications –

As per membership forms:

- Melissa and John Poole – Liam and Sophie Poole- Prep- *future for 2027*

Correspondence Moved by: Kelly Hayes 2nd: Emma Bowman

Accepted

4. Business Arising

2F Golden Grant – class sets of A3 whiteboards

5A Golden Grant – class set of skipping ropes

Kelly Hayes to liaise with Michele and Marta

These were unanimously approved by all present members

5. Tuckshop and Uniform Report

As Attached - see key points outlined below

Report moved by: Sue-Ellen Murray 2nd: Nathan Zahra

- We need to look at options of a line-up system that has been previously approved. Metal bars? L-shaped seating?

Try painting lines first – feet style template?

It was unanimously accepted that we try the painted lines first. Can Michael (grounds man) paint these for us?

- Sally has requested a new phone for the office. Nathan to trial one that he has in his office before purchasing a new one.
- Sally asking for option of adding uniform to till in canteen. Nathan advised this is not possible due to stock taking requirements. Solutions is for parent to place order on the spot and show paid receipt so they can collect immediately but method of "click and collect" ordering is preferred.
- Sally advised that back to school orders placed and ETA mid Oct
- Sushi special to start from Term 3 – Wednesdays only
- Concerns from Emma regarding Sally's day off on Wednesdays. With large number of orders (70+ staff orders) unmanageable for Kim on this day. Craig/Emma to discuss with staff about how this is managed and potentially changing days for day off to Monday/Tuesday. Note: 4 day work week for Sally still in trial period so will be reviewed at the end of September.
- Sausages left over from movie night. Suggestion to cook up with Chappy breakfast or have a sausage sizzle on the first week back in Term 4. Noting an October expiry date

- Sally asking to advertise request for donations of non-perishable items from families to the tuckshop at the beginning of the year or each term?

All members accepted the proposal of advertising for non-perishable goods

Sally to create a list and send to Office for publication in newsletter/Facebook page for next term.

6. Treasurer's Report

As Attached

Report moved by: Sue-Ellen Murray

2nd: Nathan Zahra

Accepted

7. Principal's Report

As Attached

Report moved by: Mark Windsor

2nd: Emma Bowman

Accepted

8. General Business

➤ MSP Photography – Teams meeting with Executive (prior to meeting)

- SEE EMAIL WITH ALL DETAILS
- MSP can do a 5-day One School image turnaround
- Can photograph all in 1 day
- Would be delivered in class groups, specifying which parent ordered
- Lower cost options available
- Sibling photos can be ordered without group photos
- 'old school' photos of classes in rows can be taken alongside the composite portraits
- Make-up day would be possible at no extra cost
- 100% satisfaction guarantee – can be returned and refunded. In school holidays students and parents can come to office and have photo re-taken
- Late order website link available
- Only photography company that has a ST4S rating (safer technology for schools)
- Tentative date booked for us in May
- Many systems have changed since we last used them in 2024

➤ Car Parking submission to Council

- The council has received two enquiries regarding the car parking at Gregory Street
- People have been parking in the bus stops. Reports have stated that parents were being photographed by bus drivers and parents have been fined for parking in incorrect areas
- Two police visits have been issuing fines
- School is engaged with council regarding connection through to Pelican Waters etc. This is a huge process in terms of forward planning etc
- Council have asked for a snapshot of traffic in our area etc before moving forward. More feedback provided to council from a school perspective
- Have we ever considered a 'drop and go' zone

➤ **Heritage mural - update**

- Nathan met with Holly over the last few weeks
- An email was circulated requesting photos from a generation
- Started requesting photos from 2020 to present
- A small committee is formed to work on this
- The first person to submit photos is to receive a free coffee

➤ **Senior shirts 2027**

- 41 orders currently placed
- This is around 50% of the current cohort
- Orders are cut off by the end of this term. These can then be collated and sent off over the September holidays for delivery before the start of the 2027 year

➤ **Student council- chilled water bottle filler and bubbler**

- Harper Murray and Asha Hayes (school vice-captains) from the Yr 6 cohort pitched a proposal to the P&C
- Request for additional funding for the installation of a chilled water system
- \$14700 for cost of project
- Around \$3000 of this is installation
- Student council has around \$12700 in funds banked from this year and also previous years
- Student council is \$2000 short of the required target
- A consultation process with the student council has been in process
- Potentially adding a plaque etc to include the current student council members as a legacy project
- 3 water bottle fillers will be on the water fountain
- 3 bubblers will also be included in the proposed system
- Costings currently don't include filters. This would be a monthly cost. Not being put forward at this time
- Aim to be installed by the end of year

A motion was put forward to cover the additional funds of \$2000

Another motion was also out forward to cover 50% of the cost of the entire water system at a cost of approximately \$7500

As a committee, it was unanimously accepted to cover 50% of the cost so that the student council can still obtain some of their funds when the process is finalised.

Full costings to be provided and worked through at a future date

➤ **Mother's Day and Father's Day**

- Wayne Thompson brought forward an idea to have morning teas/breakfasts around these events
- 'Scone time' similar to the process they do at the high school could be an idea
- Raffles etc could be conducted at these events
- This was well received and supported by all present
- Start planning earlier next year to make this event/s run smoothly

Meeting closed: 7:10pm

Next Meeting: Thursday, October 15 (Week 2) @ 6pm
